Each Broadway Junior ShowKit includes:

- 30 Actor's Scripts, containing the full script and all of the songs
- 1 Piano/Vocal Score
- 1 Director Guide, including the script, music, cross-curricular material and production handbook
- Digital access to Guide Vocals and Performance Tracks, choreography videos, audition sides, program templates and other helpful media (*sent via email directly from Music Theater International within 14 days of completing licensing*)
- A *Dramatic Performing Rights License*, allowing your school to perform your show as many times as you'd like within a 12-month period

Upon placing your ShowKit order, you will receive a *Dramatic Performing Rights License* via email directly from Hal Leonard Corporation. After the completed and signed license is returned to Hal Leonard, they will send you the complete ShowKit (non-returnable). JW Pepper will then send you an invoice for your order. Schools or organizations that have licensed the production and purchased the complete ShowKit can purchase additional ShowKit components from JW Pepper (additional components also non-returnable).

Audio Samplers are also available for purchase, which allow you to preview your show before licensing. In each sampler you'll find a complete overview of the show, a list of characters, song ranges, scene breakdowns, and digital access to preview the music. Audio samplers can be purchased at any time.

Licensing Restrictions

Due to the fact that "grandrights" must be obtained for licensing and performance of Broadway Junior shows, certain restrictions apply:

- Performances must be put on by accredited elementary and middle schools using students in **Grade 9 and under** only. High schools can license through Hal Leonard if the production will only include 9th grade students. Any school that intends to cast students older than 9th grade must contact Music Theater International directly (www.mtishows.com).
- The following titles can **ONLY** be licensed through Hal Leonard by schools that are accredited for 9th grade and under, meaning that all "high schools" and some "junior high schools" are ineligible (please contact JW Pepper or Hal Leonard to confirm eligibility):
 - *Disney's Aladdin Junior*
 - *Disney's The Lion King Junior*
 - *Disney's Frozen Junior*
- ShowKits may be sold and licensed in the United States, Canada (excl. *Godspell Junior*), and schools of foreign US military bases only.
